## Itinerary

Morning departure is scheduled for 08:00 hrs from Cusco city. We go straight to the Mountain, our flight zone. It takes us 1h hours to get there.

Upon arrival we get our gear ready for the activity. Briefing time by the pilot in charge of the group. We start flying and will be up to 10 minutes on the air. However the flight operation depends directly by

the pilot's decision. Pilot in charge has the power to cancel the activity if weather conditions are not safe enough.

Consider this activity might involve sometimes long waiting periods.

After flying, we will have a quick break for light lunch. This will take around 1 hour.

Then, we start our biking activity around Maras Village. We will select the right route for you that suits your level of biking.

### INCLUDED:

1. Transportation roundtrip from Cusco city.
2. Tandem paragliding flight(Go Pro video included)
3. Biking tour(gear included: helmet & bike)
4. Box lunch
