

Kayak + Paragliding

Half day trip

- Kayak/Stand up paddle in Piuray Lake
- Paragliding

NOT INCLUDED:

1. Snacks & others
2. Footage for the Kayaking activity
3. Photos of paragliding activity

Itinerary

Morning departure is scheduled for 07:00 hrs from Cusco city. We go straight to the Lake of Piuray for the kayaking activity. Here we will spend around 2 hours. There will be option to go either kayaking or stand paddle.

Then we go to the Mountain, our flight zone. It takes us 20 minutes more.

Upon arrival we get our gear ready for the activity. Briefing time by the pilot in charge of the group. We start flying and will be up to 10 minutes on the air.

However the flight operation depends directly by

the pilot's decision. Pilot in charge has the power to cancel the activity if weather conditions are not safe enough.

Consider this activity might involve sometimes long waiting periods.

After flying, we go straight to Cusco city by 13:30 hrs approximately.

INCLUDED:

1. Transportation roundtrip from Cusco city.
2. Tandem paragliding flight(Go Pro video included)
3. Kayaking activity(gear)
